## International Workers’ Memorial Day is April 28<sup>th</sup>

Workers’ Memorial Day (also known as International Workers’ Memorial Day) is recognized annually on April 28<sup>th</sup>.

It is an international day of remembrance and action for workers that have been killed, disabled, injured, or made unwell by their work. Canada commemorates this day as the National Day of

Mourning. The AFL-CIO (a national trade union center) declared April 28<sup>th</sup> to be Workers’ Memorial Day back in 1989. This day serves to honor the hundreds of thousands of working people killed and injured while on the job every year.

There are many reasons why the roles of health and

safety exist, from the corporate level down to the “Mom and Pop” establishments. Our role in the health and safety of ourselves and others is not always easy or “convenient”, but it is an essential part of what we do. Because everyone deserves to come to work and go home healthy and injury-free every day.

## NM ASSP Chapter Officer Nominations Are Currently Open!

**The NM ASSP Chapter Officer nominations for the positions of Vice President and Treasurer are; currently open.**

Our chapter thrives as a result of our engaged membership—and now is your chance to get involved at the leadership level! We're currently seeking nominations for two important roles on our executive board:

- **Vice President** is a three-year commitment that grows with you: Vice President,

then President-Elect, then President. It's a fantastic opportunity to develop as a leader and help guide our chapter's future.

- **Treasurer** is a two-year term. If you have a knack for numbers (or just a desire to help keep our finances on track), this is a great way to contribute.

**Who can serve?** Any member in good standing with at least one year of membership is eligible to run for an executive

board position. We'd love to see a variety of voices and backgrounds represented!

**Questions?** [Reach out](#) to Selina Santiago (President-Elect) or John Wiesenfeld (Vice President). They'd be happy to chat with you about what these roles involve and answer any questions.

We look forward to hearing from you!

**The deadline for board nominations is April 30th.**
